

HUGH HAMILTON

Hugh Hamilton is the 5th generation of a large wine dynasty and is regarded as the black sheep of the family.

His daughter and 6th generation of the family, Mary, continues the legacy, making us Australia's Oldest Wine Family.

The Black Sheep experience is extraordinary. Hugh is the master of a most reprobate range of varieties from the classics to the more eclectic. When it comes to tasting our wines, you can expect to enjoy the difference.

THE DRAMA QUEEN

Made in the Méthode Traditionnelle

WINEMAKER'S NOTES

Every winery needs an attention seeking, exaggerated, overly emotional, dramatic, diva. Sometimes it's the winemaker, sometimes the boss, or sometimes a family member! Fortunately not here, so we had to create one.

PALATE

The Drama Queen shows her class with a very fine, long lasting bead and a creamy and vibrant mousse. These are her jewels. Her couture is the easy richness of the Chardonnay and the opulence given by the Pinot. There's a touch of fruit sweetness and a slight kick of acidity. Cherry and apple blossom characters are enhanced by the subtle yeasty brioche flavour. The DQ is a complex character which makes her all the more memorable.

BOUQUET

The DQ smells good too. The addition of dosage liqueur of aged Shiraz at disgorging, her perfume reminds us of rose petals and crushed strawberry and with some time spent on lees, the nose displays a hint of brioche, which is balanced with a creamy texture.

VICTORIA, SOUTH AUSTRALIA & TASMANIA

2013

BLEND

Pinot Noir (64%) Chardonnay (29%) Pinot Meunier (7%)

COLOUR

Blush, I can't think of a better colour for a DQ.

DRINK

This DQ is no fake. She's a right and proper méthode traditionnelle sparkling that can kick her heels up with even the best of her French friends whilst she's in her youth. And you'll be able to bring her to the party in all her splendid maturity over the coming years.

FOOD MATCH

Every occasion is worthy of a little drama! The Drama Queen loves a cocktail party or any other celebratory event, like waking up in the morning. Hey, who needs food when you're celebrating?
