STORY

"We'll drink, a drink, a drink - to Lily the pink, the pink, the pink - the saviour of the human race..." (Thank U Very Much - 1967). Well that's a big claim for The Floozie, but this rosé will no doubt make for a happier human race - or at least for a few select members who partake of this wine! When the Hamilton family first produced wines in 1837 life was simple and rosé happened by default, as nature sometimes delivered a big red, and in other seasons a light red - almost a rosé. They took what nature offered them and enjoyed it!

WINEMAKER'S NOTES

The Sangio from Church can tend toward exuberance in both flavour and colour - making it easy to accidentally create a table wine where a rose was the intention. We temper this tendency with a healthy dose of fruit from Wickham Hill - a higher and cooler site yielding more delicate flavours; making the tremendous balance in this wine possible..

BOUQUET AND PALATE

A subtle Sangio that wants to slip into your DM's and make you smile. Taut with pink lady apples, lime wedges, dried herbs, and strawberries. A fine line of fruit. Savoury. Succulent but not sweet. Textural and lingering.
