

# HUGH HAMILTON

## THE FLOOZIE

**Hugh Hamilton is the 5th generation of a large wine dynasty and is regarded as the black sheep of the family.**

**His daughter and 6th generation of the family, Mary, continues the legacy, making us Australia's Oldest Wine Family. The Black Sheep experience is extraordinary. Hugh is the master of a most reprobate range of varieties from the classics to the more eclectic.**

**When it comes to tasting our wines, you can expect to enjoy the difference.**

### STORY

When the Hamilton family first produced wines in 1837 life was simple and rosé happened by default, as nature sometimes delivered a big red, and in other seasons a light red – almost a rosé. They took what nature offered them and enjoyed it!

### WINEMAKER'S NOTES

The Sangio from Church can tend toward exuberance in both flavour and colour – making it easy to accidentally create a table wine where a rose was the intention. We temper this tendency with a healthy dose of fruit from Digs Vineyard – a higher and cooler site yielding more delicate flavours; making the tremendous balance in this wine possible.

### BOUQUET AND PALATE

Apple blossom blooms into ripe pink ladies. Shifting shades of fennel; wild notes among blueberries, linen, lemongrass, cherry stone, and musk. Early season strawberries, field-fresh, fill the palate. Lush but still taut. Finishing with a lick of acid zest, lively and spry.
